

BRANDED BAUBLES

BRANDED BAUBLES

Christmas is the busiest time here at DRAYTON HQ and boy do we love it! We're a little infatuated with all things festive and the closer we get to Christmas, the more our offices resemble Santa's Workshop (and we wouldn't have it any other way!).

We created this brochure to showcase our range of Branded Baubles and Bespoke packaging options to create the perfect Christmas gift.

We would absolutely love to help with your Christmas Gifting. If you have any questions at all or would like to talk to the team, we've added a QR code to make things a little easier!

CHRISTMAS TREES & SEEDS

Miniature Live Christmas Trees

The ultimate Eco Friendly and stand-out Christmas Gift.

We have a large range of live trees - a selection of which are festive. Not only are these incredibly unique but they create discussions for years to come. We sent trees to some of our clients over 10 years ago and they still send us pictures every year of how they're growing!!

Seeded Paper Christmas Cards

These cards have been embedded with seeds so when you don't need them anymore, simply plant the card in your garden and watch them grow!

CHRISTMAS GIFTING IDEAS

Cube Advent Calendar

This cube Advent Calendar was created especially for Audi. The 4 sides of the box had 23 doors.

Behind each one was a fact about the company. Day 24, on the lid of the cube, was the final door. Behind this was an Audi E-Tron model car.

Personalised Advent Calendars

Rather than having traditional flat doors, this 24 day Advent Calendar is made up of 24 small boxes. Each of which is the perfect size for any small items / beauty product.

CHRISTMAS GIFTING IDEAS

Bespoke Stockings!

Along with the traditional off-the-shelf range of stockings, we also create Bespoke Stockings! You choose the colour of the body, the colour of the fur, whether you require any additional elements (e.g. a loop) and the print!

Woven Socks

Socks have become an incredibly popular product, all year round. Winter Socks are available and you can add bespoke shaped grips to the base too.

Christmas Crackers

Our Christmas Crackers are **bespoke** in more ways than one! The design, size and shape are all changeable along with the option of printed ribbon. On top of this, the contents are completely tailored to your requirements.

You can even supply us with your own products for us to add inside!

LIMITED ONLY BY YOUR IMAGINATION...

The tricky part is finding something we can't brand!
