

DELICIOUS BRANDED SWEET TREATS

A woman with long brown hair, smiling, holds two cupcakes in her hands. One cupcake in her left hand has a white frosting base with a colorful swirl on top. The other cupcake in her right hand has a dark chocolate frosting base with a small sprig of colorful sprinkles. Above her, several other branded sweet treats are arranged against a blue background. These include: a white truffle with a yellow crystallized sugar coating; a light-colored truffle with a smooth white chocolate coating; two chocolate cookies with a white logo featuring a stylized 'F' and orange and black geometric shapes; a chocolate cookie with a white logo featuring a stylized 'A' and red and blue geometric shapes; a white cupcake with a blue 'nala'd baby' logo on the top; a white cookie with a rainbow-colored 'HAPPY PRIDE MONTH' logo; a white cookie with a 'HAPPY EASTER!' logo featuring a rabbit and Easter eggs; and a dark brown brownie with a white frosting top featuring a large red 'ABB' logo.

At **DRAYTON**, we want to promote your brand in as many ways as possible; this brochure showcases some of our edible products, all of which can be branded. Perfect treats for employees and clients.

Choose from a wide range of delicious cupcakes, doughnuts, luxury truffle collections, cookies, confectionery, bakes and more, we can even personalise TIC TAC's® and SMARTIES®! By incorporating a personalised box or packaging, your brand and message will be prominent as well as presentable.

These make excellent "thank you" gifts for new clients. Edible gifts are a perfect way to keep your brand visible throughout the year and are a great addition to corporate events, open days, employee anniversary's, client gifts, recruitment fairs, product and campaign launches, the list is endless! It's amazing what a talking point a box of cupcakes, hand delivered, creates. The social media posting and feedback from recipients is incredible.

We have the solution to cater for your every need.
