SUSTAINABLE & ORGANIC

SO COMFY

# SO COMFY SOCKS

Step into a greener world of comfort and style with our collection of sustainable socks, crafted with eco-friendly materials.

## ORGANIC COTTON

During harvest of the sustainable organic cotton, 60% less CO2 is emitted compared to standard harvests. Additionally, the growing process of the cotton uses up to 60% less water.

From 120 pairs - made in Türkiye - GOTS certified

# SO COMFY TEXTILES

## UNDERWEAR

Be eco-conscious with our range of underwear, carefully fashioned from premium organic cotton and bamboo, offering a soothing feel for both you and the environment.

From 250 pieces – made in Türkiye – GRS, GOTS certified

## JUMPERS

Elevate your winter wardrobe with our environmentally-conscious winter jumpers, from a blend of 65% recycled polyester and 35% recycled cotton. Unleash your creativity by designing your unique piece, as the yarn is expertly dyed to your preferred PMS colours.

From 500 pieces – made in China – GRS certified

## RPET

Throwing away plastic and burning is a huge waste of precious energy and resources. Our Rpet socks are made of at least 50% consumer waste (PCW).

From 1000 pairs – made in Türkiye – GRS certified

## RECYCLED COTTON

Cotton is the most widely used fabric in the world. By fiberizing collected worn cotton and then spinning it back to yarn, we produce new socks from reused cotton.

From 250 pairs – made in Türkiye – GRS certified

## SWIM SHORTS

Dive into style and sustainability with our swim shorts, thoughtfully designed for eco-conscious adventures. Made from recycled polyester.

From 500 pieces – made in Türkiye – GRS certified
